General Alumni Association Meeting Secretary's Minutes

May 26, 1962

The spring meeting of the Executive Council of the General Alumni Association of Indiana State College was held at 9:30 a.m. on Saturday, May 26, 1962, in the auditorium in Cogswell Hall. The President, Miss Helen M. Brennan, opened the meeting with appropriate remarks and then requested a motion to dispense with the reading of the minutes for the October 1961 meeting since they had been published in the December 1961 Alumni News Bulletin. Motion made by Miss Angie Marshall. Passed.

The financial report was given by Miss Mary L. Esch, Treasurer, and approved. (See page 3)

The Vice President of the Association, Mr. Roy H. Ankeny; and the Secretary, Miss Marian I. Francis, were introduced.

Miss Brennan stated that for a number of years the Projects Committee had met at 7:30 a.m. on Alumni Day at which time they discussed and adopted a project or projects but that this committee held a meeting at the college on Saturday, May 5, 1962, and formulated some plans which they hope may result in changes that will focus attention on the work of the Association on Alumni and Homecoming Days and throughout the year. She spoke briefly about the badges worn by Mr. Ankeny and a few others and stated that the persons wearing the badges were assisting the faculty welcoming committee and would be on campus all day to give information concerning the college and buildings and to help make visitors feel at home. She also spoke of the "Do You Know" folders. Miss Brennan then asked the secretary, Miss Francis, to read the minutes of the May 5, 1962, meeting.

Mrs. Sally Johnson, Chairman of the Projects Committee gave a resume on contributions to the college by the Alumni Association since 1934 and presented the following recommendations from the May 5 Projects Committee meeting:

- (1) Allocate the sum of \$400.00 more or less, to cover the cost of paint, cleaning furniture and drapes in East Parlor. Motion for approval made by Mrs. Ellen Mazza, seconded by Mrs. Rose McManus. Passed.
- (2) Allocate \$175.00 to \$200.00 for the erection of gate posts at the main entrance to the New Athletic Field, the posts to be marked as given by the General Alumni Association and to be multi-directional so that they might be read on entering or leaving the field. Motion was made by Miss Ann Carlin, seconded by Mrs. Ellen Mazza. Passed.
- (3) From the Annual Giving Fund set aside the amount paid on life membership fees as a perpetual fund, this to be done as soon as possible, (the total payments on life memberships to date amounts to \$5,174.50). Motion was made by Mrs. Nelle Dobson Chaplin, seconded by Mrs. Helen Snyder. Passed.

- (4) Use the term Executive Committee instead of Officers and Projects Committee. Motion was made by Mr. Roy Ankeny, seconded by Miss Gladys Elcessor. Passed.
- (5) Allocate approximately \$381.00 for a file for the Alumni Office. Motion was made by Miss Catherine Taylor, seconded by Mrs. Mary Kellar. Passed.
- (6) Allocate \$2,500 for the continued publication of the Alumni News Bulletin. Motion was made by Dr. Glenn Hess, seconded by Miss Angie Marshall. Passed.

Miss Brennan stated that the East Parlor had all ready been done and requested that the Alumni go see it.

Miss Esch reported that the College had purchased a new addressograph machine for the Alumni Association. This machine was much needed since the old type inked stencils were difficult to read and the new type metal stencils can be read easily and can be indexed through the use of a tabulating system which will make it possible to do many more operations by machine process. The Alumni Association is requested to buy only the filing cabinet.

Mrs. Audrey Graham reported on the Alumni Giving Program. The program was inaugurated in 1960 and letters were sent to Alumni signed by the president of the college and the president of the alumni association soliciting contributions and pledges in the amount of \$3, \$5, or \$7. Contributions to May 31, 1961, amounted to \$2,685. Last fall, a similar letter was sent out and contributions to this date amount to \$3,043, an increase of \$358. Mrs. Graham stated that, if we can get this kind of an increase each year, our Annual Giving Fund will grow. She also stated that the Class of 1956, with the aid of their president, Mr. John E. Federinko, and class representatives was being used as a "Pilot Class" to solicit funds for the Annual Giving Fund by personal letter or personal contact instead of the regular letter.

Dr. Arthur F. Nicholson was called upon to speak on the Council of Alumni Associations of the Pennsylvania State Colleges. He stated that he had attended all the meetings and that the Council is now engaged in a project of writing a book called "The Story of Pennsylvania State Colleges" which needs our co-operation in a number of ways. A number of blanks are available and he requested that many fill out the blank so that we can get a picture of what our alumni are doing. The Council is co-operating with the Board of Presidents, the Pennsylvania State Education Association, and the Association of State College Faculties. They are also working with members of the legislature in getting legislation passed favorable to Indiana and to the other State Colleges—seeing that we get a fair share of appropriated funds. Dr. Nicholson then requested permission for the motion that we continue our membership in the Council of Alumni Associations of the Pennsylvania State Colleges from October 1, 1962, to October 1, 1963. Motion was made by Mrs. Sally Johnson, seconded by Miss Gladys Elcessor. Passed.

In reporting on the Alumni News Bulletin, Dr. Nicholson stated that our bulletin is the oldest continuous alumni publication supported solely by the alumni association. He stated that he tries to report all news that comes in and requested that alumni keep sending articles for the bulletin.

Miss Brennan called for old business.

Dr. Nicholson was recognized and reported that at the October 1961 Executive Council meeting the Council adopted a resolution that

the new athletic field be named in honor of Mr. George P. Miller, and at the last meeting of the Board of Trustees they voted to name the field in honor of Mr. Miller unless there is some unforeseen circumstance beyond our control.

Secondly, Dr. Nicholson stated that as the Annual Giving Fund grows and, we hope that it shall and must, the responsibilities of the Executive Secretary are increasing. He then suggested that since the Association pays Miss Esch only a compensation of \$200 per year that this be increased \$100 per year until it reaches \$500, thus it would be working towards a salary not a nominal fee. Motion—"Beginning with the fiscal year June 1, 1962, that the Executive Secretary shall receive \$300 per year and that it increase \$100 per year until it reaches \$500 per year." Motion was made by Dr. Arthur F. Nicholson, seconded by Mrs. Sally Johnson. Passed.

Dr. Nicholson then stated that the Indiana Chamber of Commerce is making a drive for a College Development Fund and that his request at this time will be found in the resolution he wishes to present. "Resolved that the Executive Committee of the General Alumni Association of Indiana State College does hereby unanimously commend the Indiana Chamber of Commerce's College Development Fund Committee composed of Earl R. Handler, Carl S. Weyandt, R. Hastie Ray, and Wallace Young and the other public spirited business and professional people who are associated with them in the drive to obtain \$25,600 in private funds for the College. We greatly appreciate their efforts on behalf of and friendship toward our Alma Mater - Indiana State College, and wish them complete success in their worthy venture in support of higher education." Motion was made by Dr. Nicholson, seconded by Mr. Ankeny. Passed.

There being no further business to come before the meeting it was upon motion adjourned at 10:30 a.m.

Respectfully submitted,
Marian I. Francis

Alumni Executive Council Meeting Secretary's Minutes

May 26, 1962

The meeting of the General Alumni Association was held on Saturday, May 26, 1962, at 10:45 a.m. in Fisher Auditorium with the President, Miss Helen M. Brennan, presiding. She extended greetings and stated that it was decided by the Executive Committee to shorten the meeting as to the business part and thus make time available for the privilege of hearing from some of our alumni and some of the faculty of their experiences this year. She continued that the business portion of the meeting would be short but, if you have questions, you may approach any of the officers and we will be glad to answer them.

Mr. Roy H. Ankeny, Vice President, and Miss Marian I. Francis, Secretary were introduced.

Miss Brennan then read the projects approved by the Executive Council (see Executive Council Minutes), and called attention to the "Do You Know" folders that had been prepared. She explained about the letters that were sent out on the Annual Giving Fund soliciting contributions and pledges and told of the Pilot Class—1956 under the leadership of Mr. John E. Federinko, working on the solicitation of contributions and pledges to the Annual Giving Fund from the class as a unit.

Dr. Nicholson reported on the Council of Alumni Associations of the Pennsylvania State Colleges—an organization which has been operating for about four years and has begun collecting information to tell the Story of the Pennsylvania State Colleges to the people who need to be told, and it needs to be told in a forceful manner. He requested that alumni fill out the questionnaires that had been prepared. Dr. Nicholson stated that the Council is co-operating with the Board of Presidents, the Pennsylvania State Education Association, and the Association of State College Faculties. They are also working with members of the legislature—the objective is to see that the State Colleges get a fair share of the money that is appropriated for education.

Concerning the Alumni News Bulletin, Dr. Nicholson stated that it is the oldest continuous publication solely supported by alumni and that he as editor is trying to publish news of interest to the alumni and is always willing to receive suggestions for the improvement of this bulletin.

The Class of 1962 was escorted into the auditorium by Mr. Charles Ruffner (1917) and Mr. Samuel Fausold (1937). Presentation remarks were made by both Mr. Ruffner and Mr. Fausold welcoming the class into membership in the Association. Acceptance for the class was made by the Class President, Mr. Charles Reitz. Miss Helen M. Brennan, with appropriate remarks, accepted the class into membership.

Acting President, Dr. John E. Davis, on behalf of President Pratt and himself, welcomed the Alumni to campus and stated that he just realized what he had missed by not taking work at Indiana, but that he had done the next best thing—sent his daughter. Dr. Davis commended the Alumni Association on its contributions to the college; namely the organ fund,

the 75th anniversary, the television sets, the athletic field project, the outdoor theatre, the Leonard Loan Fund, et cetera. He commented on the increasing cost of education and stated that with the help of the Leonard Loan Fund and the Corrine Menk Wahr Scholarship Fund, in connection with loans under the National Defense Education Act many students who otherwise could not afford to attend College were now able to attend Indiana. Dr. Davis then complimented the Alumni Officers in leading the organization through the years and stated that Indiana is now the seventh largest college in the State in terms of full time enrollment.

Mrs. Sally Johnson, Chairman of the Executive Committee, was introduced and spoke briefly on the work of her committee.

A brief treasurer's report was given by Miss Mary L. Esch.

Dr. Herbert Isar, Assistant Chairman of the Foreign Language Department spoke on the colloquium he attended in Paris, France, May 3-6, 1962, and stated it would not have been possibly financially for him to have participated without the generous help of the Alumni Association. He also stated that Indiana is planning to send its language students to Spain for a semester which would aid them in preparing to teach Spanish. They would spend a period of seven months abroad, June to January. This would carry the name of Indiana to Europe.

Dr. S. Trevor Hadley, Dean of Students at Indiana and a member of the Class of 1937, reported on the trip he is scheduled to take to Liberia in connection with "Operations Crossroads, Africa." This project is subsidized by the Ford Foundation and 36 administrators (Dr. Hadley being the only one from Pennsylvania) will leave June 16 and spend ten weeks in Liberia. They will meet with Liberian educators to help them improve the educational facilities in their country. Dr. Hadley stated that Liberia was founded by a group of American slaves and that their government is similar to that of the United States.

Mrs. Audrey Graham, President of the Pennsylvania Education Association spoke on the PSEA. Mrs. Graham (Indiana 1917) stated that at almost all of the meetings where she has spoken there were people in attendance from Indiana. She stressed the importance of membership in the PSEA. Mrs. Graham also stated that she would be a delegate to the World Organization of the Teaching Profession Meeting in Stockholm, Sweden, this summer.

Mrs. Flossie Sanford, recently elected President of the Pennsylvania Federation of Women's Club, gave a brief talk. She urged all women who do not all ready belong to a women's club to join one, and stated that the first women's club was organized less than 100 years ago in New York City and that today in the United States there are 947 clubs working for the betterment of their community.

Miss Brennan then read a telegram from Mrs. Jennie Mitchell Dougherty, a member of the Class of 1892.

The Dean of Women, Miss Nancy Newkerk; Dean of Men, Dr. Elwood Sheeder; and the Chairman of the College Alumni Liaison Committee, Dr. P. D. Lott, were introduced.

Reunion classes were recognized and the following class groups were represented: 1897, 1902, 1907, 1912, 1917, 1922, 1927, 1932, 1937, 1942, and 1952.

The President called for unit reports. The following units were represented by the persons named: Miss Gladys Elcessor, Pittsburgh; Miss

Catherine Taylor, Pittsburgh North Boros; Mrs. Vivian Lovell, Tri-Township; Mrs. Arveta DeGaetano, Indiana; Mrs. Helen Snyder, Philadelphia; and Mrs. Nelle Chaplin, McKeesport.

There being no further business to come before the meeting, the same was, upon motion, adjourned at 12:10 noon.

Dr. Craig C. Swauger

Dr. Robert M. Hermann

● Dr. Craig G. Swauger, a member of the English-speech faculty at Indiana State College, was awarded the doctor of education degree from the University of Pittsburgh on August 11, 1962.

Dr. Swauger's dissertation was a status study, "The Preparation of Present English Teachers in the Public Secondary Schools of Pennsylvania."

Born in Saltsburg, Pennsylvania, Dr. Swauger was graduated from Saltsburg High School and Kiskiminetas Spring School. He was graduated from Indiana State College in January, 1942, and was awarded the master of letters in English degree from the University of Pittsburgh in 1952.

Dr. Swauger taught briefly in Bell Township High School, Westmoreland County, before entering the service in 1942. After serving in the Army for three and one-half years, he taught English in the secondary schools of Saltsburg, Blairsville, and Indiana before joining the faculty of Indiana State College in 1955. From 1948 to 1960 he was employed in a part-time capacity on the editorial staff of the Indiana Evening Gazette.

Dr. Swauger lives at 522 Locust Street, Indiana, with his two children, Mary Sara and John, and his wife, Evelyn, an elementary teacher at Benjamin Franklin Joint School.

In his doctoral work at the University of Pittsburgh, Dr. Swauger conducted a state-wide survey of the English preparation of 5,594 Pennsylvania public secondary school English teachers.

The data, gathered by means of tabulating card questionnaires and processed by electronic equipment, were considered in two parts: (1) analysis of data on 15 characteristics of training, experience, and status, and (2) analysis of the relationship between the subject matter taught in secondary schools by the English teachers and the teachers' preparation in specific college English courses, including the teachers' estimate of the value of such courses.

Dr. Swauger will report the findings of his study at the annual meeting of the National Council of Teachers of English to be held in Miami at Thanksgiving.

● Robert M. Hermann, member of the social studies faculty at Indiana State College, was awarded the doctor of philosophy degree in philosophy from the University of Pittsburgh in August, 1962.

Dr. Hermann's dissertation, titled "The Relevance of Recent Educational Criticism to the Thought of John Dewey," argued that most of that educational criticism which blames American philosopher John Dewey for advocating "Communism," undisciplined classrooms, "God-less" schools, the undermining of stable value theory, and a number of other "evils" is either uninformed, malicious, or would seriously prefer to return American education to its form and role of a century ago.

Dr. Hermann believes Dewey's views were moderate, that his writing has been grossly misunderstood, and that Dewey himself was as disturbed by certain educational excesses as many of those who blame him.

Copies of Dr. Hermann's doctoral dissertation are available for study at the University of Pittsburgh and Indiana State College libraries, or through University Microfilms, Inc.

Dr. Hermann and his wife, the former Mary Perkins, have two sons, Martin, age 9 and Malcolm, age 5. They reside at Marion Center R. D. 2.

Dr. Hermann already held the B.S., A.B., and M.A. degrees; the B.S. from Indiana State College in 1942 with secondary majors in English and history, and the latter degrees from the University of Pittsburgh in 1947 and 1949 with philosophy as his major field.

He has done additional study at Ohio State University. He is a naval aviator with combat experience from the aircraft carriers Hornet in World War II and Valley Forge during the Korean action, and presently holds the rank of Lieutenant Commander in the U. S. Naval Reserve. He joined the Indiana State College faculty in 1959.

FAMED RELAY GROUP

● A noted Indiana athletic group met the weekend of August 4-5, at the summer home of Mr. Everett M. Sanders and his wife, Mrs. Sanders, the former Mrs. Porter a one time supervisory teacher at

Keith School. Mr. Sanders will be remembered as chairman of the health and physical education department during the 1920's and 1930's.

The athletes who met with Mr. and Mrs. Sanders were Norman E. King, S. Clair Borland, Walter G. Patterson, and John V. Alexick. This was the first occasion in thirty-seven years in which the group had met for a reunion.

It was in 1925-26 that these four capable trackmen won the then - Normal School Division Quarter Mile Relay in Philadelphia. The athletic situation at Indiana Normal School in those days was such that not much was made of the two championships the quarter mile relay team brought to the school.

These were the years when Dr. John A. H. Keith was president of the college. The emphasis of the college in those days was as it has been - the recruitment of an outstanding faculty emphasizing good scholarship and good teaching. However, the enrollment of boys was small and there was little competition for team membership.

Teachers didn't encourage it. Mr. Sanders remembers one occasion when one fairly efficient teacher refused to declare one of the boys eligible for team competition because his test indicated that he had not done the required reading for the course. The matter was put to President Keith. The student honestly agreed that the teacher was right and promised that the reading would be done before the end of the semester. This action convinced President Keith that an exception should be made in the case of this young man. Mr. Sanders reports that this was a wise decision and the determined young man not only completed his studies but

literally ran with winged feet that year.

Referring to the quarter mile relay champions of the 1925-26 years, Mr. Sanders reports as follows: Norman E. King is now a business education faculty member at Shippensburg. He has a daughter in college.

S. Clair Borland is manager of the Red Cross Division Headquarters for the Eastern District in Wilkes Barre, Pa. Borland has a daughter and some grandchildren.

Walter G. Patterson is assistant superintendent of the public schools of Needham, Massachusetts. Dr. Patterson is married and has two children, a daughter who is a librarian and a son in the University of Vermont. Dr. Patterson earned his Ph.D. at Boulder University at Greeley, Colorado.

John V. Alexich is director of the Erie Public School Museum in Erie, Pa., and he has a daughter in college.

The program for the reunioning quartet included their arrival at Indiana on September 4, they dined at a local restaurant and spent the evening in the Sanders' home reminiscing. Breakfast was at the Sanders' home following which the quartet presented Mr. and Mrs. Sanders with a beautiful loving cup.

Interestingly enough the four men who were honoring their teacher are looking forward to retirement in the next decade. They pledged to have another reunion in the Sanders' home in St. Petersburg, Florida.

Mr. Sanders left Indiana State College in 1938 and went to work with the physical education section of the United States Army at Cushing Hospital in Framingham, Massachusetts. His job was to organize the physical education program for convalescing

patients. He remained in this position until the Veterans Administration took over and was then put in charge of the rehabilitation program as it applied to patients convalescing from injuries to the spinal cord resulting in paraplegia.

In 1949, Mr. Sanders was transferred to Kennedy Hospital in Memphis, Tennessee. This hospital was a medical teaching group hospital. Every three months, selected doctors were brought in from all over the country for refresher courses. This work was fascinating, Mr. Sanders reports, and the doctors visiting the Kennedy Hospital had to go through "Independence Hall" which was the center of the rehabilitation program which Mr. Sanders had organized for helping severely paralyzed patients to become independent in spite of their disabilities.

Activities of the Alumni Units and Groups

THE NAUGHTY-TWOS CAME BACK

● On June 25, 1902, seventy-two young women and twenty-one young men were graduated from Indiana State Normal School now Indiana State College. May 26, 1962, fifteen of these same young women and young men returned to Indiana for the sixtieth reunion of their class. Some returned Friday evening and enjoyed visiting together in a lounge in Wahr Hall where the Alumni lived during Commencement.

Including in-laws, children and grandchildren twenty-three persons were in attendance at the Alumni Luncheon Saturday noon. In the evening Charles Ray, our president, and Frank Horton, our secretary, entertained the group at dinner at Rustic Lodge. How nice it was to visit together and hear about many of our classmates, but we missed the happy smile and cheery voice of many who had been with us in past reunions.

Forty are still living out of a class of ninety-three. They are living in eight states from Massachusetts to California and from New York to Florida. Many are active in worthwhile affairs in their own communities. Rev. William Berkey is full time pastor of a Lutheran Church in Pittsburgh.

The years have brought many changes and we of 1902 have seen Indiana grow from a small campus with three buildings — Sutton Hall, the Model School, and Boys' Dormitory where the Administration Building now stands, to a very much enlarged campus with fifty building and an enrollment ten times what it was in 1902. The growth began short-

ly after we left Indiana with the erection of Leonard Hall about 1905 or 1906. It has been our good fortune to watch the growth of Indiana through the years.

We take pride in the knowledge that at one time we were a small part of this very worthwhile institution that means so much to the educational and cultural growth of Pennsylvania.

We thank Indiana for inviting us back for so many class reunions. These have been high lights in our lives that would have been impossible without Indiana.

Someone has said that there has been more progress and change in the world in the last fifty years than in all previous history of civilization. How wonderful it has been to live during that period and actually see so many good things come into being.

Again, thank you Indiana for all your many kindnesses and our best wishes for the future. May Indiana continue to grow and prosper.

FIFTY YEAR REUNION — CLASS OF 1912

● The "Alert to Instano 1912-1962" sent to the members of the fifty year class in early April brought many prompt and enthusiastic replies, some bearing regrets but expressing sincere wishes for a wonderful reunion.

One the eve of Alumni Day, many of the returning members had arrived, so after dinner we had an impromptu get-together

On the eve of Alumni Day, others arrived, they joined us, and the lounge was filled and over-

flowing with pleasure. Letters were read, the 1912 Instano was passed for autographs, pictures of long-ago and current days were shown — including the grandchildren; and the room rang with laughter and chatter. This session lasted until near midnight and continued to the wee small hours in the corridors and rooms.

After an early breakfast in the College Dining Room, Saturday morning, some folks strolled through the campus, visiting the old and new buildings; others had meetings to attend, but we were all present at the Alumni Meeting, to proudly rally around our class member, Helen Brennan, as she ably presided at the meeting. We were duly recognized, the largest group in the assembly.

At the Alumni Luncheon, our class representative, Adelaide Ramsay Clarke, responded in the absence of our President, Ernest McLaughlin, who is in a nursing home. At our business meeting, we sent Agnes Sligh Turnbull's "Out of My Heart" to "Sandy" with our best wishes, and regrets for his illness and absence.

At this business meeting we stressed membership in the Alumni Association and Alumni giving. We also discussed the allocation of our reunion gift fund of \$600. It was the wish of the class that this fund be disbursed, until depleted, as follows: A gift of \$100 each year to some worthy student in need of financial aid, said student to be recommended by the Student Scholarship and Loan Committee of the College, with Mary Esch acting as treasurer of the Fund.

After having our picture taken, we returned to Wahr Hall to prepare for the evening which Florence Wallace and Edith Buchanan Wolfenden had arranged for us.

A delicious dinner at the Indi-

ana Country Club was followed by a pleasant after hour at Edith's Indian Springs Road home, where she and Florence entertained us with pictures of their latest trips. Edith at the North Cape Countries and Florence in Africa; Florence, truly our globe trotter, plans to visit Australia and nearby islands this summer. Light refreshments were served, and we then drove back to the College, passing through the campus, where we were thrilled at the lovely lighted windows of the Stabley Library.

An early breakfast and church attendance and the reunion ended, a wonderful weekend, long to be remembered with deep appreciation to our Alma Mater and her staff for their warm and gracious hospitality.

We came from far and near. Out of state returnees were: Myrtle Balmer Mortimer, San Antonio, Texas; Jean Boone Garver and Dr. Garver, Decatur, Georgia; Elizabeth James Davis, Lake Worth, Florida; Nellie Pardoe, Tampa, Florida, and Johnstown, Pa.; Edith Williams McWherter, Tampa, Florida; Camille Seacrest Pressley, Knoxville, Tennessee; Mary MacClaran Hagel and Henry Hagel, Baltimore, Maryland; Scott Means, Delhi, New York; Chester and Mary Jamison Gayley, Harpers Ferry, Ohio; Thalma Smith and Ralph Fickling, Independence, Ohio.

From Pennsylvania: Margaret Allen, Clara Anderson Plank, Janet Bemis, Mary Bert Kincaid, Helen M. Brennan, Marion Brown, Edith Buchanan Wolfenden, Zilma Conkle Hague, Alice Cook, Martha Hackman Cooley, Zella Hastie Chapman, Alice E. Johnston, Sarah Jones, Jean Lacock Russell, Lillie List Herman, Janet Little Banfield, Edith Mackall Fischer, Verne Martin McKee, Ethel

McCullough Wallace, Martha Wassell Faloon, Zula Miller Henry, Robert Henry, Mabel Munshower Zehner, Ruth O'Neil Bracken, Twyla Opdyke Simpson, Adelaide Ramsey Clark, Sarah Stockhouse Esch, Florence Wallace, Agnes Young Wright, Nelle Houston Nippes and seven guests, Marie Woodward Coonradt, Dr. Coonradt, Harry Nehrig, Mrs. Nehrig, Hazel Douglas, Florence Reitz Cooley, Fred L. Cooley, Margaret Yarnal Gettemy, and Dr. Gettemy.

Sending regrets, but enclosing contributions for our gift fund were: Myrtle Everest Tyler and Helen Stewart Goddard from California, Helen Shugert and Ethel Henderson Ross, Ohio; Mabel Smith Markert, Florida; Mabel Means Fraser, New York; and from Pennsylvania: Helen Simpson Wiggins, Annabelle Livingston McKerahau, Ethel Orr, Mary Wolfhope Hayes, Kathryn Haberleu.

It was arranged to have class members send a report to these persons.

The 1912 Instano group will meet for lunch in Kaufmann's Dining Room, Pittsburgh, in early November. Why don't you join us 1912?

PHILADELPHIA UNIT

● The afternoon of May 12, the Philadelphia Unit gathered together on the grounds of the home of Mr. and Mrs. Harry G. Hoehler for their annual picnic.

Tables and chairs were already set up in the spacious yard with its playhouse and pump, an enriched by shrubbery in gorgeous fullbloom and back of that well-kept forest trees.

After all were assembled and chatted a bit, boxes and baskets

of food were spread out. The cakes alone, three of them — angel's food, spice, and yellow with chocolate icing — would have tickled a gourmet's palate. Then the hostess brought coffee, ice-cream, and bon-bons. Coffee, so good, went round and round with no one counting cups.

When twilight fell, husbands stopped playing quoits and withdrew indoors for table-games, while members held their business meeting in the drawing-room. After this there was much small talk, unrestrained and full of fun. When husbands became restive, all knew it was time to head for home, after telling Harry and Dorothy that they had given another happy time.

● The Tarentum Unit closed a successful year June 26, 1962, with a picnic dinner at a local park. During the evening the group reminisced about the year's activities and discussed the things to come in the next year. There were many pleasant memories of dinners and lectures.

On October 3, 1961, the group met for a dinner meeting at Friendship Garden Tea Room in Harmarville. At this meeting Miss Mabel Milldollar, a member of our unit, showed slides of previous activities of the unit. The title of her illustrated lecture was "Seeing Ourselves as Others See Us".

The second meeting of the year was held in the Tarentum First Methodist Church on December 6, 1961, at a dinner served by the Golden Rule Class of the church. A film, "Pennsylvania: Keystone of the Nation" was shown by a representative of the Bell Telephone Company.

In the home of Mrs. Russell Starke a tureen dinner was held on February 6, 1962. Mrs. Earl Goss reviewed the novel "Love is Eternal" by Irving Stone. It told the love story of Mary Todd and Abraham Lincoln.

Preparing the group for summer vacation time was done with slides and a talk by Miss Alba Folino, a member of our unit, who spent a summer in the Hawaiian Island. The slides included flowers, people, industries and many of the interesting things in our newest state. This meeting was held May 1, 1962, at the home of Mrs. Robert Newcomer. Now that she has retired, and returned to Pittsburgh to live, Helen MacWilliams is able to attend our meetings as an active member. She was the sixth president of the Pittsburgh Unit.

In memory of her two sisters, Catherine and Agnes, both members of the class of 1901, Margaret Thomson has sent a gift of books to the library of the College at Indiana.

We regret to report recent deaths in the families of four of our members. Gladys Elcessor,
